List your labs:

Look over the schedule to the right, and in the spaces below, list **all** of the labs that you could be signed up for. If you are currently signed up for another course that would have to be dropped so that you could take a lab, make a note of that below. Also, note any other information that might help us in getting you into a lab.

Turn this form in to Dr. Stovall (492 Phifer) or to the Journalism departmental office (490 Phifer). You will be enrolled as soon as possible in one of the labs that you have chosen, and someone will notify you to that effect. In the meantime, you should attend any lab on Wednesday or Thursday, Jan 8 and 9 and let the instructor know that you are attempting to enroll in the course.
